This matter comes before the Public Service Commission of South Carolina (the Commission) on the September 29, 1992 request of Southern Bell Telephone & Telegraph Company (Southern Bell) for approval of revisions to its General Subscriber Service Tariff. The purpose of Southern Bell's filing was to discontinue billing of Departmental Identifiers (DI) service in South Carolina.

On October 30, 1992, the Commission received a Petition to Intervene from the Consumer Advocate for the State of South Carolina (the Consumer Advocate), represented by Elliott F. Elam, Jr., Esquire. Elam has now filed a letter with this Commission indicating his willingness to withdraw his intervention in this matter.

The Commission has examined the record in this matter, and believes that the Consumer Advocate's request for conditional

withdrawal should be granted. Further, the request of Southern Bell should be approved as filed, and this Docket should be closed.

IT IS THEREFORE ORDERED THAT:

1. The Consumer Advocate's request for withdrawal of its intervention in this matter is granted.
2. The tariff as filed by Southern Bell is hereby approved.
3. That this Docket shall be closed.
4. That this Order shall remain in full force and effect until further Order of the Commission.
